

AT THE SALON

In dire need of a beauty make-over, I went to my salon with a fashion magazine photo of a gorgeous, young, lustrous-haired model. I showed the stylist the trendy new cut I wanted and settled into the chair as he began humming a catchy tune and got to work on my thin, graying hair.

I was delighted by his cheerful attitude until I recognized the melody. It was the theme from "Mission: Impossible."

ATTRACTING ATTENTION

My husband and I had bought some gadgets for our almost teen-age

grandsons and were leaving the store when we realized we didn't have batteries. He stepped over to a counter to get the batteries but couldn't attract the attention of the clerk.

I waited for a little while then said "I'll get a clerk over here real fast." With that, I pulled out my pocket tape measure and started measuring a large TV set. Amazingly, a clerk leap-frogged over several pieces of furniture to reach my side in jig time.

To his, "May I help you?" I said - "Of course. I'll take 8 of those batteries over there."

COOKING A ROAST

One day a little girl was watching her mom make a roast beef. She cut off the ends, wrapped it in string, seasoned it and set it in the roasting pan.

The little girl asked her mom why she cut off the ends of the roast. Mom replied, after some thought, that it was the way that her mother had done it.

That night grandma came to dinner and the little girl and her mom went to her and asked why she had cut the end off of the roast before cooking. After some thought grandma replied, that was the way her mother had done it.

Now great grandmother was in a nursing home. But the little girl went with her mom and grandma to see her and again asked the question.

Grandma looked at them a bit annoyed and said, "So it would fit in the pan, of course."

Calling in Sick

Negotiations between union members and their employer were at an impasse. The union denied that their workers were flagrantly abusing the sick-leave provisions set out by their contract.

One morning at the bargaining table, the company's chief negotiator held aloft the morning edition of the newspaper, "This man," he announced, "called in sick yesterday!"

There on the sports page, was a photo of the supposedly ill employee, who had just won a local golf tournament with an excellent score.

A union negotiator broke the silence in the room.

"Wow!" he said. "Just think of the score he could have had if he wasn't sick!"

Santa's Reindeer

A preschool fingerplay for Christmas.

1, 2, 3, 4, 5 little reindeer
(hold fingers up one at a time)

Stand beside the sleigh.

"Hurry, Santa," said the five

"So we will not be late!"

(make a fist)

1, 2, 3, 4, 5 little reindeer,
(pop fingers up one by one)

Santa said, "Please wait!

Wait for three more little reindeer,

And then that will make eight."

(hold up three more fingers)

Winter Time Poem

by Mary Ryer

Icy fingers, icy toes,

Bright red cheeks and bright red nose.

Watch the snowflakes as they fall,

Try so hard to count them all.

Build a snowman way up high,

See if he can touch the sky.

Snow forts, snowballs, angels, too,

In the snow, so white and new.

Slip and slide and skate so fast.

Wintertime is here at last.
