MELANIE (age 5) asked her Granny how old she was. Granny replied she was so old she didn't remember any more. Melanie said, 'If you don't remember, you must look in the back of your panties. Mine say five to six.'

Seeing her frustration, her Mom explained it was a childproof cap and she'd have to open it for her. Eyes wide with wonder, the little girl asked, 'How does it know it's me?'

BRITTANY (age 4) had an earache and wanted a pain-killer. She tried in vain to take the lid off the bottle.

DILLON (age 4) stepped onto the bathroom scale and asked: 'How much do I cost?'

Neutered?

My friend Allison adopted a stray cat and took him to the vet to be neutered.

"I'm about 90 percent certain he's been fixed," the vet said.

"How can I be 100 percent sure?" Allison asked.

"Watch to see if he does any 'male' things."

"He already lies on the couch all day," she said. "If he starts hogging the remote, I'll bring him in."

Wedding Daze

A grandmother overheard 5-year-old Christy "playing wedding." The wedding vows went like this: "You have the right to remain silent, anything you say may be held against you, you have the right to have an attorney present. You may kiss the bride."
