**JOB APPLICATION**

An applicant was filling out a job application. When he came to the question, "Have you ever been arrested?" he wrote, "No." The next question, intended for people who had answered in the affirmative to the previous question, was "Why?" The applicant answered it anyway: "Never got caught."

**POTATO PROBLEM**

Upon going away to college, Terry received a hand mixer from his mother because of his fondness for mashed potatoes. Later that semester, she asked him how the mixer was working for him. "Not very good," Terry said, "the potatoes keep flying all over the kitchen." After a perplexed pause, his mother asked, "Terry, did you cook the potatoes first?" To which a surprised Terry responded, "You have to cook the potatoes first?"

**THE "REAL" WORLD**

My brother was recently launched into the "real world" and, shocked by the expenses that came with it, he was complaining about the high cost of auto insurance. "If you got married," teased my dad, "the premium would be lower." He smiled and said, "Dad, that would be like buying an airline just to get free pretzels."

### NEIGHBOURS

Every time the man next door headed toward Robinson's house, Robinson knew he was coming to borrow something. "He won't get away with it this time," muttered Robinson to his wife. "Watch this."

"Er, I wonder if you'd be using your power-saw this morning," the neighbour began.

"Gee, I'm awfully sorry," said Robinson with a smug look, "but the fact of the matter is, I'll be using it all day."

"In that case," said the neighbour, "you won't be using your golf clubs, mind if I borrow them?"

### MOVING FURNITURE

Co-workers sympathized as my mother complained that her back was really sore from moving furniture. "Why don't you wait till your husband gets home?" someone asked.

"I could," my mother told the group, "but the couch is easier to move if he's not on it."

### DANGEROUS DOG?

Upon entering the little country store, the stranger noticed a sign saying DANGER! BEWARE OF DOG! posted on the glass door. Inside he noticed a harmless old hound dog asleep on the floor beside the cash register.

He asked the store manager, "Is THAT the dog folks are supposed to beware of?"

"Yep, that's him," he replied.

The stranger couldn't help but be amused. "That certainly doesn't look like a dangerous dog to me. Why in the world would you post that sign?"

"Because", the owner replied, "before I posted that sign, people kept tripping over him."
