Letter to the Editor

To The Scoop,

On behalf of the JRDF Planning Committee for Airdrie, we would like thank you for all that you have done to help us for the Walk for a Cure for Diabetes in Airdrie. It was a fabulous day and I could not have asked for anything better. The weather was beautiful and we had a good turnout.

Thank you for promoting the event, for taking pictures, and for all that you did to make the day such a great success. Thank you also to “Autumn Arson”, for coming out to provide great music and entertainment for the event.

Thank you for volunteering your time and publishing our cause in your newspaper. We raised \$10,000 and that is wonderful news based on how things have been with the economy.

It was an emotional day for all of us on the team, as I am sure it was for others that were there, and the best part of the day

was seeing the people just like you that came out to make a difference and help to get us steps closer to finding a cure for Diabetes. We will never forget yesterday and all that you have done for us these last few years.

~ Vicki Rinke & Lorraine Parkinson
