their donations. Without the help of everyone we would not be able to achieve an event like this. Our community block party's have donated close to \$4800 over the six years to the Airdrie Food Bank and the Children's Hospital.

June 05 was also Amanda Jeffrey's 9th birthday. She invited her friends to join in the fun of the block party. Amanda has such a generous, giving nature. She is so aware that there are others that have far less than she. Amanda requested friends to donate food and cash instead of birthday gifts for the food Bank. The children donated \$60.00 and a large box of food. Amanda is to be commended for motivating her friends to support charity. "Way to go Amanda."

RECYCLE

SUPPORT RED FRIDAYS

Many Canadians like you, I and our friends, want to recognize that the Canadian citizens support our Canadian Armed Forces and truly appreciate the job that they are doing at our request in foreign lands. Our idea of showing solidarity and support our troops with dignity and respect starts by way of wearing RED.

Please share this message with friends, co-workers & family. If you do, it will not be long before all of Canada is a sea of RED every Friday, in honour and support of our Troops and the difficult roles that they are taking on and expected to perform.

The first thing that a soldier says, when asked "What can we do to makes things better for you?" is ... SUPPORT!

Let's get the word out and lead with Canadian Class, Dignity and by Example. Start wearing RED every Friday!
